# The Long Road Back

During the war years the growth of the relephone, systems of North America was restricted by Government order so that insterials, labor and manufacturing facilities could be diverted to war purposes. This policy contributed greatly to the war offort but naturally resulted in thousands of people being unable to get telephone rice. At the time of writing, there are over two million names on the waiting lists for talaphone service in North

percetime production, and the huge job of catching up with telephone demands has begun. The products of the factories are being apportioned among the tele-phone systems of the continent. We are getting our share of telephones, wire, cables, switchboards, automatic equipment, and so forth, but it will be many menths before factory deliveries enable

All-Wool Shags

8ires 12 to 14x...1895

Maybe you're daughter is young in years . . . but she's wise in the ways of fashion! She knows that an all-wool Shag Coat is the last word in amartness with juniors this fall! She knows, too, that the boxy style will slip over her sweaters and suits with nary adjaconferitor wrights. her aveaters and suits with nary a discomforting wrinkle . and that the quilted lining is just made for extra warmth . . and of course she loves the movelty leather buttons for themselves alone and the grand finishing touch they give. Let her choose her Shag Cost today . in beige, powder, blue and red.
